

# Plaza Premium Lounge Dar Es Salaam Julius Nyerere International Airport

For information on operating hours click [here](#).

## The Lounge

Plaza Premium Lounge (PPL)'s newest lounge is located at Julius Nyerere International Airport (DAR) in Dar es Salaam, Tanzania.

Spanning 336 square metres with a capacity of 86 guests, the lounge is thoughtfully designed to provide a warm and welcoming retreat for travellers. Inspired by Tanzanian heritage and local design elements, the space blends cultural character with contemporary comfort, creating a refined environment where guests can relax, recharge, dine, or work before their journey.

Our lounge offers a range of thoughtfully curated amenities, including a variety of food and beverage selections, shower facilities, a prayer room, and high-speed Wi-Fi, ensuring a seamless and enjoyable pre-flight experience.

## Facilities

- |                                                                                                         |                                                                                                          |
|---------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
