For information on operating hours click [here](#).

The Lounge

Plaza Premium Group (PPG)'s newest lounge located in the Domestic Departure (Airside) zone at Chubu Centrair International Airport (NGO).

Spanning 490 square meters with a capacity of 149 seats, the lounge is thoughtfully designed as a refined sanctuary. The space seamlessly integrates traditional Japanese aesthetics with contemporary functionality, providing a welcoming environment to eat, rest, relax, recharge, and work.

Our lounge also offers comfortable seating, fast Wi-Fi, light refreshment and beverages and flight information, which help to make your journey a more enjoyable one.
